Project Title: Disappearance of Madeleine McCann

I plan to build this site as multiple pages instead of a single long page. I think that since it is an investigation that is so chronological and sensational, breaking it up would be more readable and lend itself more to clear visuals.

- **People Involved:** parents, Madeline, friends, etc.
- **May 3rd, 2007:** day of the disappearance
- **Early Response:** police response in Portugal immediately after.
- **Arguidos:** main suspects over time.
- **Theories:** most developed theories.
- **Media:** media coverage of the event (Netflix, journalism, etc)
- **Sources:** Wikipedia, Netflix.
